2025 ISPS Handa US Blind Open Championship Recap

The 2025 ISPS Handa US Blind Open Championship was held at the City Club Marietta Golf Course in Marietta, Georgia, just a 30-minute drive from Hartsfield-Jackson

Atlanta International Airport. The event took place from May 19 through May 22 and featured blind golfers from around the world, as well as numerous states across the United States.

The course offered an unparalleled golfing experience on its mountainous terrain. It is enjoyable for golfers of all skill levels, providing both challenges and a relaxing, picturesque backdrop. With tight fairways, water hazards, and sand traps, the course tested players' accuracy while promoting skill development.

City Club Marietta is Conveniently located on the same property as the Hilton Atlanta/Marietta Hotel, the course is just 50 yards from the clubhouse. The facility includes a driving range, putting green, and chipping area—offering full practice amenities just steps away from the hotel. This setup provides one of the finest integrated golf and lodging experiences in the country.

The tournament hosted 18 blind golfers from across the globe, including participants from Canada and Northern Ireland, as well as from numerous U.S. states—such as Georgia, New Jersey, Massachusetts, Florida, Texas, Arizona, Hawaii, California, Minnesota, Oregon, and more making it a truly national and international event.
