

# **International Blind Golf Association (IBGA) Event Sponsorship**

Effective from: January 2018

## **Contents**

1. Introduction
2. Qualifying Events & Sponsorship Amounts
3. Sponsorship Conditions
4. Application Form & Budget
5. Requirements on Completion of the Sponsored Event
6. Final Income & Expenditure Report

### **1. Introduction**

The IBGA is willing to sponsor international golf events for the blind and vision impaired.

This document sets out the conditions under which such sponsorship will be provided and the possible sponsorship amounts. It further sets out the information that is required upon application for such sponsorship, as well as the information which must be provided after the event.

The IBGA will meet any bank charges, relating to any sponsorship granted, levied by the issuing bank. An Association receiving any such sponsorship will be required to meet any charges levied by the receiving bank.

## **2. Qualifying Events & Sponsorship Amounts**

IBGA National Associations hosting the following events may apply for sponsorship:

- World Championships
- Vision Cup
- National Open Championships (medal play)
- Regional/State Opens

The sponsorship amount will be determined by the IBGA Board of Directors on a case-by-case basis, but will generally be as follows

- World Championships: A maximum of \$60,000 US, based on a field of 54 players in a 36-hole competition.
- Vision Cup: \$1000 US per player, based on a field of 24 players in a 54-hole competition.
- National Opens: \$700 US per player, up to a maximum of 50 players in a 36-hole competition.
- Regional/State Opens: \$700 US per (non-host) country participant, up to a maximum of 10 players.

In determining the sponsorship amount the Board may also take into account factors such as:

- The number of places which may be taken by players from other National Associations.
- Previous amounts granted to the National Association.
- Whether the National Association has complied with all of the sponsorship requirements relating to previous grants.
- Other factors deemed to be of relevance.

*continued .....*

If sponsorship is awarded to a National Association the following will apply:

- The initial award of sponsorship will be based on the expected number of players entering the event. 70% of the granted amount will be paid to the National Association when needed to meet expenditure for the event.
- The balance of the sponsorship will be paid to the National Association after the closing date for entries, and will take into account the final number of entrants as known at that time.
- If the actual number of entrants exceeds the expected number, the overall sponsorship for the event may be increased – up to the maximum number of entrants as specified by the National Association in the application for sponsorship, and as approved by the IBGA Board of Directors.
- Some of the sponsorship paid may need to be returned to the IBGA if, for example, the event did not attract sufficiently close to the forecast number of participants, or if the National Association (on completion of the event) made a large profit from the event.

### **3. Sponsorship Conditions**

National Associations granted sponsorship must ensure that all of the conditions below are satisfied:

Participants will be provided with at least:

- 3 rounds of golf (a practice round and two competition rounds) on a course which satisfies the IBGA handicap requirements.
- Accommodation on a bed and breakfast basis for 4 nights.
- An additional meal per day (lunch, dinner, or both).
- Buggies (possibly at an additional cost to the player) for all B1 players and all players who medically need to make use of a buggy. All efforts should be made to make buggies available to all players who request one.
- A closing dinner. Prizes can be handed out during this function if this was not done on completion of play.

The event will offer prizes for at least:

- Best gross per sight category (B1, B2, B3) and best gross for women, provided there are at least 3 competitors in the particular category.
- Best overall net (all sight categories combined) and runner-up overall net. If men and women play in separate competitions (if there are at least 3 women), there shall be a men's and women's net winner.
- If a half-way cut is made, a prize should be awarded for the best performer of those players who did not make the cut. This may be on a stableford basis, and may be based on both days' play or only the second day's play.

Players should not be restricted to winning only one of the above prizes, and should receive each of the above prizes for which they qualify. Associations may offer prizes in addition to those listed above.

N.B. All prizes to be awarded, as well as any play-off rules which may apply, must be clearly set out in the initial letter advertising the event.

*continued .....*

***Conditions of Play:***

- Competitions must be played in accordance with the Rules of Golf (as modified for blind golfers) set out by the R&A/USGA.
- Only players who are members of an IBGA National Association or an Associate Member and who are registered on the IBGA Sight Database may participate, and only players with an official IBGA handicap shall be eligible for net prizes.
- The Tournament Committee will obtain competitors' official IBGA handicaps from the IBGA Handicap Secretary immediately prior to the event.
- All B1 players must wear blackout glasses.
- Players may not use binoculars, monoculars, laser distance-measuring devices or any other optical device. (Guides may use such devices.)

***Other requirements:***

- An application and budget must be submitted using the form in Section 4 of this document.
- At least 40% of the places in the event shall be made available to IBGA-registered players who are not members of the host National Association running the event.
- The organizing Association must provide full information of the event, including all prizes on offer, to all players with the entry forms in order to allow potential participants to make an informed decision as to whether or not to enter.
- The IBGA should be recognized as a sponsor in all publications at and about the sponsored event.
- The event should be named the ISPS HANDA xxx (e.g. British/US/etc.) Open.
- A pre-tournament meeting should be held at which participants can be advised of any local rules/regulations, and related administration matters can be finalized (e.g. transport, etc.).
- Random eye tests may be requested by the IBGA Board (at the expense of the IBGA). Where eye tests are carried out the results of all tests should be forwarded to the IBGA Vice-Chairman/Administration after the competition.
- An appointed Rules Official conversant with the Rules of Golf should be available on the competition days.

#### 4. IBGA Sponsorship Application Form & Budget

Name of Association			
Tournament Name			
Tournament Dates			
Closing date for Entries			
Maximum number of competitors which could be accommodated in the event			
Estimated number of competitors:			
- From host Association			
- From other IBGA Associations			
- Total			
Proposed Entry Fee (indicate currency)			
Sponsorship amount applied for (US \$)			
Golf Course Details:			
Name of golf course			
Par		Rating	
Brief description of the golf course:			
Accommodation Details:			
Name of hotel			
Rating of hotel			
Address

## 5. Requirements on Completion of the Sponsored Event

### **Results:**

- Scores should be conveniently displayed each day of competition, as soon as possible after completion of play.
- Competitors should be provided with a set of results (hard copy or electronic).
- Scorecards should be made available to the competitors' IBGA National Association Handicap Secretary.

The following shall be submitted to the IBGA Vice-Chairman/Administration:

- The full set of results.
- A final financial report (on the form provided in Section 6) – to be submitted within 2 months of the completion of the event.
- An article about the event suitable for publication on the IBGA website.

National Associations should take note that under the following circumstances the IBGA Board may request that some of the sponsorship payment made is refunded:

- The number of actual participants is well below the forecast number used for budgeting.
- The hosting Association had raised significant funds from other sources, and thus did not require the full sponsorship.
- All of the conditions laid down by the IBGA have not been met.

## 6. Final Income & Expenditure Report

This page should be completed and submitted to the IBGA Board of Directors on completion of the event.

Name of Association	
Tournament Name	
Number of competitors: - From host Association - From other IBGA Associations - Total	

Please complete the Income & Expenditure statement below. Feel free to amend the various items of income and expenditure listed as appropriate.

Please specify the currency you have used:

<b>EXPENSES</b>	Amount	<b>INCOME</b>	Amount
Hotel Accommodation		Entry Fees	
Green Fees		IBGA Funding Received	
Buggy Hire		Fund-raising (non-IBGA)	
Welcome Pack		Other Income (list below)	
Practice/Pro-Am Day			
Trophies & Prizes			
Half-way lunches			
Dinners			
Closing Dinner			
Additional Catering			
Administration			
Eye Tests			
Transportation			
Banners & Flags			
Other Expenses (list below):			
<b>TOTAL EXPENSES</b>		<b>TOTAL INCOME</b>
